Profile Summary

Prince Sakyi is a highly motivated, adaptable, diligent and a versatile person who possesses the drive to constantly build capacity. In the last four years, apart from obtaining his first degree, he has continuously taken online courses to broaden the scope of his knowledge. His ability to take initiative is evidenced in his personal motivation to progressively take courses to augment his university training and to enhance his career in finance. His internship experiences have exposed him to the corporate environment and equipped him with exceptional work ethics.

Objective

- * To become an expert in Financial Data Analysis and Payroll Accounting.
